

The

# ACCESSMEDICINE

App

ACCESS  
Medicine

The **AccessMedicine app** delivers invaluable point-of-care solutions for clinical practice, which include:

- **Quick Medical Diagnosis & Treatment** is a collection of evidence-based outlines of conditions and disorders most often encountered in medical practice.
- **Fitzpatrick's Color Atlas of Clinical Dermatology** facilitates dermatologic diagnosis with color images of skin conditions.
- **Differential Diagnosis Tool** (Diagnosaurus<sup>®</sup>) allows you to browse by symptom, disease, or organ system at the point of care.
- **Pocket Guide to Diagnostic Tests** aids in the selection and interpretation of commonly used diagnostic tests, including laboratory procedures in the clinical setting.

The AccessMedicine app is available if your institution has an unlimited site license. For download and continued access to the app, you must have an active MyAccess profile.

Download the AccessMedicine mobile app to your smartphone and tablet from the App Store or GooglePlay.

For more information, contact the Customer Success team at [customersuccess@mheducation.com](mailto:customersuccess@mheducation.com).

## Unlock a Higher Level of Productivity with a MyAccess Profile

Create and use your personal MyAccess Profile to unlock key features:

- Use the AccessMedicine app
- Work through challenging patient cases
- Create and take quizzes for board review and self-assessment
- Connect remotely
- Bookmark favorite content, such as videos, images, tables, and chapters
- Organize important content in folders
- Receive alerts about important new content additions
- Download multiple images into a PowerPoint presentation with citations and references automatically populated.

### How to Set Up Your MyAccess Profile in Three Easy Steps

1. Go to mhmedical.com or navigate to any Access product homepage. You must be on-site at your institution or connect through your institution's library or VPN.
2. Click on "sign in" next to your institution's name in the upper right-hand corner of any page. Once there, click on "Create a Free MyAccess Profile."
3. In the pop-up window, click "Create a Free MyAccess Profile." Complete the registration form and select "Create Profile."

Congratulations! You are ready to enjoy the benefits of a MyAccess Profile.

### Helpful Tip

To keep your MyAccess Profile active, you must sign in to your profile every 90 days while either on-site or through your institution's VPN or proxy server.
